Sunbeam English School, Varanasi — Class XII (PCM) 80%, Class X 93% **2021 – 2023**

Experience

Chief Technology Officer, *Gryork Consultants Pvt Ltd — DPIIT-registered, incubated at IIIT Allahabad* **Sep 2025 – Present**

- Designed the entire technical architecture for a bill-discounting marketplace connecting EPC contractors, sub-contractors and NBFCs; it won the company an **INR 2.5 lakh grant** from IIIT Allahabad.
- Lead an engineering team of **9–10** across backend, frontend and product.
- Built and ran *Gryork Techpreneur 2026*, a four-week programme teaching agentic AI and full-stack development to **85+** students; established it as a revenue line at INR 1,200/registration.

Founder & President, *Nexsus — university-registered technical society, MMMUT* **Nov 2025 – Present**

- Founded and architected a campus platform replacing ten fragmented tools; registered with the university and approved by the Vice Chancellor in April 2026. **Lead a team of 37**; its counselling portal placed **200+ students** into MMMUT.
- Built it end to end: **5 web portals, 2 React Native apps and 5 RAG-grounded AI assistants** on one Node.js backend with a 70+ model Prisma schema. **33k monthly page views**.
- Wrote the constraint-satisfaction timetable solver the CSE department **runs in production**: **41 courses, 31 faculty, 1,955 weekly contact hours**, conflict-free across four B.Tech years, M.Tech and M.Sc.

Chief Technology Officer, *Washtro — quick-laundry logistics* **2026 – Present**

- Architected garment-level chain of custody: a **12-stage no-skip pipeline** where every transition passes one guarded state machine, with an append-only audit log and integer-paise money.

Organiser & Campus Lead, *GDGoC, MMMUT* **Sep 2026 - Present**

- Built the chapter web presence and its end-to-end induction system — registration, evaluation, automated mail, multi-role access; **250+** students processed.

Full Stack Developer Intern, *Bharat Interns Pvt Ltd* **Jun 2025 – Jul 2025**

- Shipped BookEase, a MERN appointment-booking system, from brief to live deployment in four weeks.

Selected Projects

Haazir — attendance verification & timetabling *Top 50 of 1,300+ teams, Hackatron '25, IIIT Gwalior*

- Three-factor attendance, since any one signal can be defeated: rotating JWT-signed QR, **100 m Haversine geo-fence**, and **512-D ArcFace** matching (RetinaFace, ResNet-50) at 0.50 cosine. Raw images never stored.
- *TypeScript, Node.js, Express, Prisma, PostgreSQL, React Native/Expo, PyTorch, FastAPI*

Cognito Learning Hub — live learning platform *National Winner, IIT Bombay Techfest '25*

- Led a team building a **12-microservice** platform — WebRTC/MediaSoup video, Socket.IO state, Redis-backed Bull queues, four role hierarchies; won nationally after 50 minutes of architecture evaluation.
- *React, Node.js, Express, MongoDB Atlas, Redis, Socket.IO, WebRTC, MediaSoup*

FractureVision AI — radiograph fracture detection *5th Place & Special Mention, Xpecto '26, IIT Mandi*

- Two-stage pipeline: a ViT-Base/16 classifier at **99.01% accuracy** (0.9990 AUC-ROC) feeding a YOLOv10n localiser at **0.933 mAP@0.5** over ten fracture classes, **18.8 ms** GPU inference, with Grad-CAM heatmaps.
- *PyTorch, timm, Ultralytics, Grad-CAM, FastAPI, React*

Achievements

- **National Winner** — IIT Bombay Techfest '25 | **Top 50 of 1,300+ teams** — Hackatron '25, IIIT Gwalior | **5th Place & Special Mention** — Xpecto '26, IIT Mandi.
- **Finalist** — Techkriti '26 (IIT Kanpur) and Ethos '25 ML Hackathon (IIT Guwahati); 10+ hackathons entered. **INR 2.5 lakh grant** from IIIT Allahabad, awarded on technical architecture.
- **Design patent in preparation** on the attendance verification and timetable generation methods. **NTSE — State Rank 17 (OBC)**, Class X. **1,247 GitHub contributions** across 219 active days; top contributor in 12 repositories.
